

To
Life Members,
IAWS

Dear Members,

All those whose nominations have been found valid have been included in the ballot paper for the elections to the IAWS Executive Committee 2017-2020. Bio data provided have been edited and included (approximately 100 words each).

The only category for which there will be elections is that of life members. Candidates and voters are welcome to check details uploaded on the website and are requested to ensure that completed ballot papers reach the IAWS secretariat registered office by post/ courier/ hand latest by 18th November 2017.

I would request all to participate in the process and cooperate to ensure the smooth conduct of the elections.

Best wishes,

Kumkum Roy

Returning Officer

15th October 2017
